# Silicone Pessary Product Line

Bioteque offers a selection of soft, pliable, resilient pessaries in a variety of shapes and sizes, including malleable types, to relieve vaginal support abnormalities. Bioteque's patented pessaries are uniquely designed to easily fold for comfortable insertion and removal. All Bioteque pessaries include detailed physician instructions as well as patient information for self-care.

## Ring

The Ring pessary, available with or without a supporting membrane, is primarily used for a mild first-degree uterine prolapse or a cystocele.

| SKU(Without Support) | R#0    | R#1    | R#2    | R#3    | R#4    | R#5    | R#6    | R#7    | R#8    | R#9    |

# Bioteque Aspirators

## Aspiration Set

The Aspiration Set is a single-patient disposable device that uses a locking 60cc syringe as the vacuum source and a Karman-type suction curette to obtain a histological sample from the endometrium for pathological analysis. Bioteque's Aspiration Sets are available with 3 different sizes of curettes.

| SKU#          |               |               |               |
|---------------|---------------|---------------|---------------|
| R57-980 (3mm) | R57-981 (4mm) | R57-982 (5mm) | R57-983 (6mm) |
| R57-985 (7mm) | R57-986 (8mm) | R57-987 (9mm) |               |

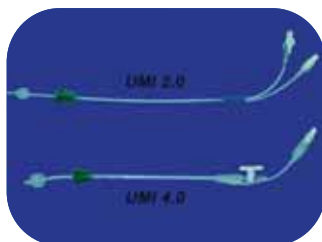

# Bioteque Catheters

## Uterine Manipulator Injector

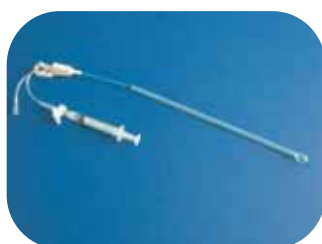

Ideally designed for Laparoscopic Tubal Occlusion, Diagnostic Laparoscopy, Minilaparotomy, Salpingoplasty and Fertility Exams.

1. Pear shaped balloon for optimum hold and a better seal at the internal OS
2. Easy insertion by reducing the size of cannula
3. Flexible sleeve keeps luer from cracking
4. No need for another instrument during the procedure

## Uterine Injector

1. Sterile, disposable, ready to use
2. Shaft curved properly (uterine sound shaped) for use in anteverted or retroverted uteri
3. Snap-on cervical stop custom set for every patient
4. Snap-on cervical stop V-shaped design for easy view of external cervical os
5. Patient ambulatory once instrument properly inserted
6. Durable no-crack luer fitting on flexible collar for convenient injection
7. No spring or weights added

## HSG Catheter Sets (LATEX-FREE • with balloon)

Bioteque's latex-free HSG Catheter Sets, available with or without a silicone balloon, are useful in evaluating the causes of abnormal bleeding, menstrual disorders, recurrent miscarriage, and unexplained infertility.

# Bioteque Cytology Brush and Pessary Removers

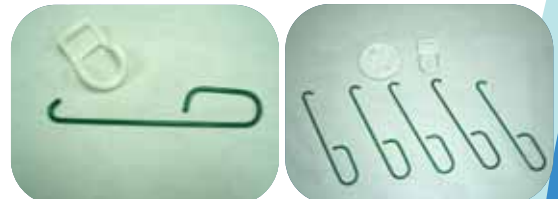

## Cytology Brushes

Cytology brushes are used to collect samples from the cervix for Pap smears. The samples are examined to detect the early stages or the onset of cancer.

| SKU#      | Description    | Quantity          |
|-----------|----------------|-------------------|
| TEA R1011 | Cytology Brush | 100 pcs / package |

## Pessary Removers from Bioteque

SKU# PRM2

## Return Policy

Products may be returned at Bioteque's expense for reasons a, b, and c only:

- If the received products are defective.
- If you have received the incorrect products.
- If you have received Bioteque products that were not ordered.

Bioteque will credit and accept returns of non-sterile products but at a 25% restocking fee if you ordered and have received the correct products only if:

- The products are returned in their original packaging and marketing condition and
- You provide a written reason for the return and
- You include a copy of Bioteque's packing list or invoice

For these above-mentioned conditions (a, b, or c) or (d, e, or f) you must first

- Call to obtain a RMA (Return Goods Authorization) number
- Send the products with the RMA number to: 2051 Junction Ave #122, San Jose, CA 95131

RMA number must appear on the outside of the package and remember a copy of the original Bioteque packing list or Bioteque invoice must be included with the returned products.

**NO RETURNS WILL BE ALLOWED AFTER 90 DAYS OF RECEIPT AND THERE WILL BE NO REFUND OR CREDIT FOR THE RETURN OF STERILE PRODUCTS**

All returns must be sent to:

Bioteque America (2051 Junction Ave #122, San Jose, CA 95131)

## NEW Fitting Sets

To place an order,

Please call: 800-889-9008 or Fax to 408-526-9399

### Fitting Set

Bioteque offers a Fitting Set to help determine the proper style and size of pessary for each patient. Packaged in an attractive case, the set includes six popular Ring pessaries and an embossed cross-reference chart to use in selecting the appropriate pessary. One set can be used for multiple patients because the rings, like all of Bioteque's pessaries, can be disinfected and sterilized. Methods for these cleaning processes are included with every pessary. **SKU: FS1000**
